

FOR IMMEDIATE RELEASE
July 16, 2010

ProActive School receives Schools Interoperability Framework (SIF®) Certification

Reston, Virginia, July 16, 2010 - ProActive School's Education Data Management Service (EDMS) version 1.15 has been certified by the independent standards organization, Open Group, for compliance to the Schools Interoperability Framework version 2.0r1.

Specifically for section 6.14 of the Schools Interoperability Framework Implementation Specification version 2.0r1 named the "Student Information Systems Working Group".

The SIF Objects within the SIF Student Information Systems Working Group certified are:
StudentPersonal, StudentPicture, SchoolCourseInfo, SectionInfo, CalendarDate, CalendarSummary,
SchoolInfo, TermInfo, LEAInfo, StaffAssignment, StaffPersonal, AttendanceCodeInfo,
StudentAttendanceSummary, StudentDailyAttendance, StudentContact, StudentSchoolEnrollment,
StudentSectionEnrollment and StudentSnapshot.

Don Gauger, CEO of ProActive School, stated "*ProActive School is committed to utilizing and supporting standards-based technologies to deliver solutions to its education clients. From the conception of the company, we have designed our services based on SIF standards. Continued SIF® certification compliance is critical to meet current and future needs for our education clients*".

About ProActive School

ProActive School is an Education Data Management Services company that provides proactive use of data across the entire school enterprise. This new concept uses data to connect teachers, administrators, parents and students in a way that improves student achievement.
